

From Nick's laptop

Branch Created:

The screenshot shows the GitHub web interface for repository 'CSCD350Team'. The 'nick-s-second' branch is selected. The 'Compare' tab is active, showing a comparison between 'nick-s-second' and 'master'. The merge attempt is titled 'Merge branch 'master' of https://github.com/nick-w-ewu/CSCD350Team'. The merge attempt shows a conflict in the file 'Demo.java'. The merge attempt was attempted 6 minutes ago by 'nick-w-ewu'. The merge attempt shows a conflict in the file 'Demo.java'. The merge attempt shows a conflict in the file 'Demo.java'.

Changes from branch

The screenshot shows the GitHub web interface for repository 'CSCD350Team'. The 'nick-test' branch is selected. The 'Changes' tab is active, showing a comparison between 'nick-test' and 'master'. The changes show a new file 'NickTest.java' added from the branch. The changes show a new file 'NickTest.java' added from the branch. The changes show a new file 'NickTest.java' added from the branch.

Merge request created:

The screenshot shows the GitHub Desktop application. On the left, a sidebar lists repositories, with 'CSCD350Team' selected. The main area displays a pull request titled 'Added from branch' from 'nick-w-ewu' to 'master'. The commit message is 'Added from branch 1 minute ago by nick-w-ewu'. The diff shows changes to 'NickTest.java', with a new line added: '//From branch'. On the right, the 'Pull request' panel shows the title 'from nick-test into master', a description field, and a 'Send pull request' button. A message below the button states: 'This pull request can be automatically merged. Your local commits will be synced to GitHub.'

Merge request on GitHub.com

The screenshot shows the GitHub.com web interface for a pull request. The title is 'Added comment from branch #3'. The pull request is from 'nick-w-ewu' to 'master' on the 'CSCD350Team' repository. The description is 'No description provided.' The pull request is in the 'Open' state. The diff shows changes to 'NickTest.java', with a new line added: '//From branch'. The pull request is up-to-date with the base branch. The right sidebar shows settings for labels, milestones, assignees, and notifications. A 'Merge pull request' button is visible at the bottom.

Master after merge:

The screenshot displays the GitHub web interface for a pull request. On the left, a sidebar lists repositories under 'GitHub' and 'Other' categories. The main area is titled 'Merge pull request #3 from nick-w-ewu/nick-test' and shows a commit history timeline. The 'Changes' tab is active, displaying a diff for 'NickTest.java'. The diff shows a new line added to the file, which is highlighted in green. The commit message for the pull request is 'Merge pull request #3 from nick-w-ewu/nick-test'.

I tried to merge my branch with the master but because there is conflict with a file that I deleted, the merge was unsuccessful.
